REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Applicant submitted a replacement Figure that showed the bands objected to in the previous action. The figure now agrees with the specification. The examiner agrees after considering the recitation of the last paragraph of column 24 and the legend to Fig. 1 in column 10 that Yeung does not teach a CEL I or II of the activity in claim 1.

It is noted for the record, as was done in the final rejection of 11/152,497 referring to an amendment by the same attorney, that this amendment appears to be written on a very poor dot matrix printer that is very dim and hard to read. The dots of each letter very obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles L. Patterson, Jr., PhD, whose telephone number is 571-272-0936. The examiner can normally be reached on Monday - Friday from 7:30 to 4:00.
